2015
cabernet sauvignon

TASTING NOTES

This 2015 hy·brid Cabernet Sauvignon is sure to fill your glass with a rich velvet hue. Savor the smoky caramel nose and hints of tasty dark chocolate raspberry with warmth to enhance any chilly winter night.

VINEYARD

All grapes were estate grown in the Lodi Appellation where the cool evening Delta breezes and warm, sunny days produce the perfect acidic balances.

PAIRING

Pair with a juicy ribeye or hearty bolognese. A perfectly versatile and balanced wine.

SUSTAINABLE WINEGROWING

All of our vineyards are certified Green in the “Lodi Rules for Sustainable Winegrowing Practices.” This third party program is known to be the most recognized in the industry with stringent yearly audits covering all facets of wine stewardship. A number of practices are required to pass the certification including care of the land, air, water, soil, and employee.
