And the WINNER is.....

Winning Photo!

Our Facebook photo competition has now ended and we would like to thank you all for taking such an active part with many creative postings of unforgettable memories from your holidays with us. We were so impressed with the entries we found it very difficult to choose so we passed the decision to our independent social media company.

We are pleased to announce that the winner of our 2016 "Your Best Holiday Photo "competition is our long term visitor PAUL OSBORN! (on the site as Sterling Floors) Congratulations from your Pueblo Evita team!!!

PLUS Because the entries were so good and varied they chose a runner up. With no particular reference to anything the runner up prize goes to EMMA KNIGHT for the most creative entry. Not a photo but an engaging little video. Well done! We will send you €50 in vouchers to spend in the Clubhouse on your next visit. To view this video on our Facebook site, visit:

Although the competition has now ended keep sharing your photos on the Pueblo Evita Facebook page for all to see, they will count for the next competition. Please don't forget to add #LovePuebloEvita

Watch out for our new 2017 Facebook challenge!

Getting to know Pueblo Evita Club Staff members.

José Maria Romano is one of our longest serving staff members. Born in Malaga, he started to work at Pueblo Evita 25 years ago and has worked in practically every department. From the pool –boy job to the laundry department to repositions, porter and Reception. He has also worked on the Main Community common areas and Maintenance team to finally become part of the Main Community Security team.

Very proud to be part of our family, he loves to see the familiar faces visiting us year in and year out.

His passion is sea life and adventure. An expert diver, every year he looks for new exotic destinations to explore the underwater world. On most of his days off he drives his camping van around Andalucía looking for new adventures. Jose Mari's dream is to go around the world in a sailing boat and explore new underwater life all over the globe.

Activities with Oihana for the Autumn and Winter seasons.

We have prepared plenty of organized activities for you in these coming months. Walks to the local market, her ever so popular Spanish Classes, Rifle Shooting, Table tennis, pool, darts and lots more.

We now also have a new relaxing area where you can have a game of chess or checkers. If you fancy any other activity just let Oihana know. Enjoy!
