Getting to know Pueblo Evita Club Staff Members

Rosa Marin can be seen around the resort common areas every day. She has been working for the Main Community for the last 16 years, looking after the main pool and communal areas. Like many of the Pueblo Evita team, she was born here in Arroyo de la Miel where she still lives with her family.

The best way we can describe her hobby is "DON'T THROW ANYTHING AWAY: RECYCLE!"

Rosa's specialty is crafts and she will turn any material she finds into an incredible decoration, costume, game or toy! She actively participates in all local Fiestas helping with the organization and decoration and also uniquely decorates kid's party at any time.

We already have lots of great photos published on our Facebook page and want to encourage all to share some of their favourite photos. Just as a reminder the competition ends on the last day of September and the winner will be announced in October! It's really easy.

Resort News.

We are half way through the peak summer season and with almost 100% occupancy our team is very busy making sure all our guests have a fantastic holiday. Eduardo & Family in the Club House have again started the fantastic Paella Show on Monday (recipe included!), typical Malaga Fish on Wednesday and continue with a BBQ night on Friday (this time of the year with the ever popular Parrot Show).

This year they have added a service around the lower pool area and are now also serving cocktails, smoothies and fresh fruit juices from the BBQ area, which they have named "Chringuito Guanche"

Oihana and our Kid's Club has plenty of activities to offer this summer and together with Claudia, who is helping through this school holiday season, they entertain the children and adults with Treasure Hunts, very popular Spanish classes, water aerobics, bingo, archery, raffle shooting and much more.

Rober and the lifeguard team are very alert for all swimmers security, organizing "Jumping Moments", controlling the use of sunbeds and reminding holidaymakers about the importance of sun protection.

We do our best to upload photos and videos daily so you know what's happening down here on the Costa. Here is one of Eduardo from the Club House preparing fish "Malaga style".
