2016 AGM to be held onsite at Pueblo Evita Club in November.

As you may be aware, at last year's Annual General Meeting we discussed the possibility of holding the AGMs this year at the resort, as we have previously done before. We have not yet announced the actual date for the Pueblo Evita AGM, but have selected the weekly period when this will be held. In Pueblo Evita the AGM will be held the week starting with change over days on Saturday 29th and Sunday 30th of October, 2016 and the AGM will be held sometime during this week.

We have blocked off these dates at the resort so that we have the maximum amount of apartments available for members to be able to attend, if they wish to. The arrangement we have set up is that members can elect to use a week of their normal yearly allocation to come to the resort during this week, or if members prefer we will offer (to members only) a very special

reduced rental rate of £139.00 for a Standard One Bedroom unit for one week. Larger sized and Elite apartments will also be available at slightly higher rates. Please check with us for complete details. Availability will be on a first-come first-served basis. We will block these dates for members only until 30 June, 2016. After that inventory will be released for general use. If you would like to attend the AGM onsite this year, we ask you to confirm your allocation or rental as soon as possible through the main office in Malaga. You can do this via email to:- allocation@pueblo-evita.com or you can call us on 0871 284 5666 (from the UK) or 00 34 952 44 15 48.

Getting to know Pueblo Evita Club Staff members.

This month we would like to tell you a little about one of the first members of our team you may come across when you arrive at Pueblo Evita.

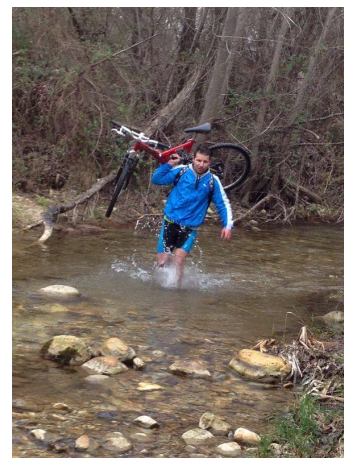

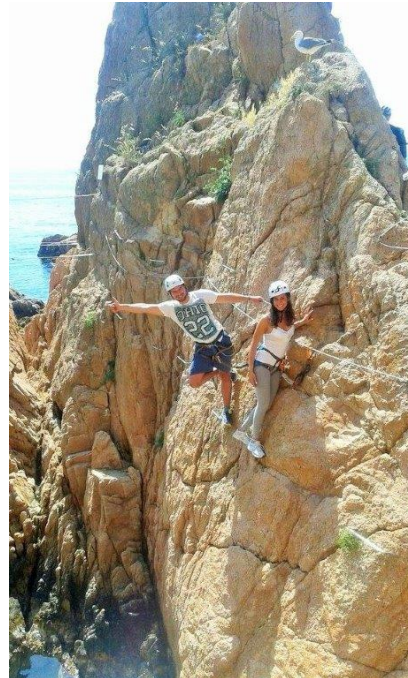

Jesus García Martínez is one of our porters at Pueblo Evita and he will greet you at the door to help you with your luggage. After almost 7 years working here he can tell you all you want to know about our resort and the area.

Born in Malaga, he has lived, as he says "always here", close to Pueblo Evita.

As a voluntary fireman for the last five years he is currently preparing for official exams to enter the Fire Brigade.

Traveling is one Jesus' hobbies and for this year's holiday he is planning to go to Kenya, close to Mombasa, where his uncle is working in an orphanage teaching locals how to turn available water into drinkable water and working on a program for schooling for the local children.

His favorite sports, which he is really good at, are; football (Fan of Malaga C.F.), running, rowing, cycling, paddle tennis, surfing and snowboarding, not to mention rock climbing! Jesus never stops! In his free time he attends a local English Language Academy and records videos for You Tube.
