Pueblo Evita Yearly Award and recognitions

Every year during our annual staff party we recognise an "Employee of the Year" and also give a special mention to any employees with 10 or 20 years of service to the Club.

For 2016 Juan Manuel Calle, who looks after common areas, outdoor pools and any Main Community tasks was chosen as the Employee of the Year. As usual it was a very difficult choice

between the many candidates but we felt it right to select Juan Manuel with over 20 years of service and for his dedication and fellowship with his colleagues.

We are also proud to confirm that this year we have 9 employees who are celebrating 10 and 20 years of service in the Club. Carmen and Sara from reception, Paco from the maintenance team and 6 members of our housekeeping team.

Thank you and congratulations to all!

"Employee of the Year"- Juan Manuel 20 years of Service.

Getting to know Pueblo Evita Club Staff members.

This is a Pueblo Evita "true love story"

This couple doesn't need much of an introduction as you have all probably met them on many occasions during your stays with us. Roy and Sara crossed paths at the Clubhouse in 1992 shortly after they started working at Pueblo Evita. The beginnings were very shy. Roy used to write little love notes to Sara, while working behind the bar, until she agreed to go out with him. We have to admit that "Reme", who used to work at the Clubhouse as a cook at the time, was not very happy about them seeing each other because of the age gap, and neither was Sara's mum, only to see through the years that Roy has proved to be a wonderful husband, step son, and loving father of their children Hannah and Marcos, now 18 and 16 years of age, and also to Beccy, Roy's daughter from his first marriage.

Roy has always been very sporty, at first he used to play cricket and football, Sara played cricket too and their team managed to be champions of Spain! Roy even now is playing football 3 times a week at 56! Sara keeps busy combining studies, work, home & family... with Roy's help of course...

Their love is as strong as ever and they hope to be one of those lovely retired couples holding hands on their walks along the Benalmadena promenade.

"Love is certainly in the air at Pueblo Evita"

You can of course find Roy and Sara working on Reception these days and we can assure you that they will "Welcome you with a Smile"...

New Pool towels and linen

During our closure in January we have changed our laundry supplier and are pleased to show you here our new pool towels. We hope you will find these and the new linen nice and comfy! Don't forget to ask for pool towels at arrival in our reception. (fee applies)
