Getting to know Pueblo Evita Club Staff members.

Montserrat Calle Marin – Monse as we call her, has been with us since 1996, so it's over 20 years now! She started working in the onsite laundry and years later moved over to the Housekeeping team where she is working currently.

Born in Barcelona, she came to Malaga with her family at the age of 15 and settled in, later on forming her own family.

Monse's passion is photography, nature, classical music and Oriental culture. (see photos below). She spends her spare time with her family and developing artistic photos the traditional way, travelling when possible and trekking around Andalucía. Many times she has been asked to take memorable pictures at weddings, birthdays and other special occasions.

Winter Activities with Oihana.

Just because we are in low season now it doesn't mean there is nothing to do on the Costa del Sol.

Day time activities with Oihana are on from Monday to Friday she has her "office" now open in the indoor pool area.

Water polo, aerobics, badminton and many more. Spanish lessons, bingo and quizzes are held by or in the Clubhouse depending on weather.

Social Media.

Our Facebook page now has 1.500 likes and close to 2.100 unique visits. This, in great part, is due to your constant support, so keep on checking for latest pics and don't forget to have a look at the Clubhouse Facebook too where Gaby publishes mouthwatering pictures of new dishes and desserts.

We do our best to upload photos and videos daily to the Pueblo Evita Club Facebook page so you know what's happening down here on the resort and the Costa.
