

## Dedicated Staff Works to Improve Membership Experience With Great Success

By Kevin Kauffman, President

This Club offers its membership nearly countless meeting, recreation, and dining opportunities for your family and friends. With a competent and continuously improving staff, the average membership experience has improved immensely over the last 18 months. I would like to recognize our General Manager, Rich Howarth, and his staff for making astounding progress in such a short period of time. If you feel the same as I do and have the opportunity, please let Rich and his staff know how much you appreciate their efforts in making this improved membership experience progress. If you haven't been out to the Club in a while, you really need to reintroduce yourself so that you can experience this improvement for yourself.

When was the last time you called to sign-up for a Club event and were told, "Sorry, but that event is sold-out?" Well, this has happened to members a few times already this year. There are two lessons that I learned from this "new reality" at our Club. First, if I see an event that I want to attend, I need to sign-up early! Second, it is not only Lindsey and I who have noticed the improved membership experience; many of you are smiling as well. Again, if you haven't witnessed the change first-hand, I highly recommend that you do.

Weather since January has been great for skiing. It's been a long winter and spring for the golf course. We lost many trees, and Mother Nature paid dividends with badly needed rain. Our new Superintendent Bernie and our Head Golf Professional Kelley did a great job keeping the course open as often as possible. Now that summer is approaching, the course is back to its normal wonderful condition and ready for the skiers and others to get

back to their golf games. I had a couple opportunities to ski with Club members and staff this year, and it was a nice way to complement the fellowship we enjoy at the Club.

Your Board of Directors continues to work hard on guiding Rich and addressing the membership and financial challenges of the Club. The Membership Committee, chaired by Blain Bibb, completed a time-consuming and extensive analysis of the past five years. Board Liaison Steve Dunn worked closely with Blain and staff to recommend a strategy that is expected to move the Club forward and ultimately towards financial stability. Board member Jeff Tokunaga suggested the concept that led Blain and Steve to the recommendation that has been implemented. On behalf of the Board of Directors and the Club membership, I want to thank Jeff, Blain, Steve, and all the committee participants for their significant effort and progress.

Your Board of Directors approved the Membership Committee recommendation, and staff has implemented a new membership drive to remain in-place until further action by the Board. If you bring in a prospective member, you will be rewarded if they become a member. Please see Rich or Katie for details. New members are being encouraged to join our Club at an introductory rate for two years. After this period, their dues rate will change to the rate then in effect. Jeff's idea here is that as more members join the Club, monthly membership dues can be stabilized and ultimately decline as membership grows to the numbers that we had experienced five to ten years ago. I feel that the reduced membership reflects the slump in our economy, but it appears to lag the

economic trends by five or more years. The regional economy is beginning to "perk" again, so it is a good time to implement such a membership drive. With your help and support, this drive will be successful.

A financial strategy process moving forward in parallel with our membership drive efforts is the current focus. The Board expects to work closely with its Finance Committee to work out the final details of these critical plans. Chair Frank Moore is moving to Savannah. He needs to be recognized for his leadership of the Finance Committee during the past troubling years. His family has belonged to this Club for generations, and we look forward to his return in the future. Thanks, Frank!

The Club's newsletter is full of information about upcoming events. Please mark your calendars and make timely reservations. You don't want to miss out on all the great things happening here at your Club. See you soon, and staff will have your favorite Club experience waiting for you.

### January Employee of the Month

Maria Velasquez has been employed in the Food and

Beverage Department for 11 years now. You can find her in the wee early morning, fulfilling her important duties of preparing the morning brew, as well as tending to any early risers wanting breakfast in the grill. On her days off Maria enjoys spending time with her family. She has two sons and three daughters. She considers her 4-year-old grandson her prize possession and just recently found out that she will be blessed with a second grandbaby this year.

## New Member Promotion Tops List of Club Activities

By Rich Howarth, General Manager

As the weather heats up, so do the activities at the Club. We enjoyed a well-attended Easter weekend with over 450 members and guests attending the Saturday Easter Breakfast/Easter Egg Hunt and Sunday's Easter Brunch and Dinner. Did you read in President Kauffman's article that we have sold out on a few events recently? That is correct, our improved food and beverage experience is causing quite the buzz. This is no accident. Our extremely talented Executive Chef (Steven Frain) & Food and Beverage Manager (Ron Boehm) are working very hard with their staff to bring you one of the best dining and event experiences anywhere. As President Kauffman suggests, if you have not been out to your Club lately, now is a great time to reintroduce yourself, and of course, bring a friend.

Mother's Day Brunch, Memorial Day Weekend at the Pool, Memorial Day Golf Tournament, Supper Dinner Club & Casino Night, Wentz Family Wine Dinner, Kids Science Camp, and Summer Wine Stroll are just a few of the events the Club has planned for the next couple of months. For a complete list of Club Events, please check the monthly calendars and your emails.

### Superintendent

As you may have heard, Bernie Holloway has accepted the position of our Golf Course Superintendent. Bernie comes to us with 26 plus years in the Golf Course Maintenance industry. Prior to Bernie joining us as the Assistant Superintendent, Bernie was the Superintendent at Monarch Bay and Roddy Ranch golf courses. Bernie brings a great skill set with a positive can-do attitude and is a welcomed addition to the S.G.C.C. team. Please say hi next time you see him on the course.

### Membership Promotion!

Spring is the perfect time to grow membership and we have the perfect promotion to do just that! Member referrals continues to be one of the most powerful ways to build membership; please consider introducing a friend or neighbor to our wonderful Club. Members that refer a "New" Regular Family Member will receive a Club certificate valued at \$200.00 and Members referring a "New" Golf Social, Junior Executive, or Social Member will receive a \$100.00 Club certificate. Katie or I are available and will be happy to give a tour to your guest. See the box below for more info.

### Swim Team

It's time for the Sharks to start swimming. We currently have approximately 50 Sharks signed up for this year's swim team and we expect that number to grow to above 90. Coaches Collin Craig and Allie Konkol are leading the charge this year and are focused on a winning season. Many thanks to Candice Ghio and Molly Bolognini for all their work and involvement to ensure the program is well organized and enjoyable for all. Please contact Ron Boehm at (209) 466-4313 ext. 14 for program details.

See you at the Club!

## Busy Golf Season Follows Wild and Wet Winter

By Kelley Spooner, LPGA Head Golf Professional

Congratulations to Bernie Holloway on his promotion to Head Superintendent and to his entire staff for the exceptional course conditions after an unusually wet winter!

We are gearing up for a busy golf season at the club with many tournaments and activities on the calendar. Just around the corner is the annual "Delta Classic" Men's Invitational to be played on May 18-20. Our Tuesday Ladies, Thursday Ladies, Sr. Men's Club, and the Thursday Night Men's League are all in full swing.

Here is a look at some upcoming events:

**Twilight Golf**, Friday, May 5 (Cinco de Mayo); **Sunday Couples**, Sunday, May 7; **1st PGA Jr. League Match** at

**SGCC**, Sunday, May 21; **Memorial Day Golf Tournament**, Monday, May 29; **Men's Match Play Tournament**, June 3, 4, & 10; **Multi-Vendor Tent Sale**, Saturday, June 17; **Father-Son/Daughter Tournament**, Sunday, June 18; **Ladies Nine & Wine**, Friday, June 23; and **Jr.-Jr. Golf Camp**, June 27-30.

While the course was closed for greens aeration, the Thursday Ladies planned a road trip to Diablo Grande Resort. Assistant Brandon Hughes and I traveled with the Ladies for a friendly team competition, managing to dodge the rainy weather. After the round, we gathered in the Grill for lunch and awards. The team of Sue Stuart, Judy Seitz, Cathy Eilers, and I won the event with a score of 143. Everyone had a great time, especially giving me a hard time for being on the winning team.

Congratulations to Tony McBroom for his recent hole-in-one recorded on hole #3! This is Tony's seventh hole-in-one and was witnessed by Tim Grunsky, Frank Stonebarger, Larry Stonebarger, and Ralph Yasin.

On April 23 we hosted a Couples

Guest Day with a friendly format of two net best balls of the foursome; one Men's and one Ladies' with lunch and awards. The winning team of Rick and Robin Goucher / Gary Long and Ann Johnson took home the top prize with a score of 127. Rounding out the top three places were second place finishers: Ron and Darlene Kelly / Allan Corey and Sylvia Bachman with a score of 130, followed by the third place team of Guy Petzold and Judi Dumas / Denny and Lynn Brooks at 131. Congratulations to all and thank you for your participation.

Did you know? There might be some confusion regarding the tee marker placement on hole #17. On most holes the markers are placed Black, Blue, and Gold; back to front. In the case of hole #17, the tee markers are Black, Gold, and Blue; back to front. Head scratcher? No, the correct position of the tee markers on #17 should be Black, Gold, and Blue from back to front because #17 plays as a Par 5 for the Ladies. Hopefully this clears up any confusion.

See you at the Club,  
Kelley

## February Employee of the Month

Melanie Norton has been employed in the Food and Beverage Department for 10 years now.

You can usually find her at the Snack Shack, as anyone knows that when the

tables are decorated out there, "Melanie" is there. She also can be occasionally found manning the phones on the weekends, but she is more famously known as our official monthly "Bingo" caller. Her bubbly personality makes it special. On her days off she enjoys gardening, playing with her pet Boxer, and sunbathing.

## Senior Men's Golfing and Club Events Invite Participation

By Garry Potten, President, Senior Men's Club

Wow! If you missed the Senior Men's Club Second Annual Kick-off (Kick-off??? perhaps we should change the name) Extravaganza, you missed a great day at our beautiful club. The day began with a delicious luncheon followed by a great afternoon of golf, and concluded with a mouth-watering dinner which included background music provided by a local jazz trio. A great big Thank-You to Phil Long for chairing the Kick-off Committee, and to committee members Tony Galvez, Ron Beeman, Ron Boehm, and Katie Fehn. A special thanks goes out to Ron Beeman of Beeman Travel for underwriting the cost of the live music. The Committee also could not have put this together without the assistance of all the SGCC staff. Thanks so much! What a fun day! Planning is already underway for next year's event, and we promise some new twists. Don't miss it!

The SGCC Senior Men's Club would like to welcome two new members to its Board of Directors: Dr. Ken Shunk and Michael Whelan. Michael also was coerced into filling the position of Board Secretary which was vacated when Weldon Hess moved the love of his life (golf) and his wife (Ardythe) to the desert. Good luck to the Hess family on their new venture! We will miss them both.

In other exciting news, let it be known that Michael "Pure Luck" Paper was playing golf in mid-March on our somewhat soggy course, when on the 16th hole he hit his third shot so purely that he began complaining that he had hit it well over the green. After two or three minutes of searching for the ball, one of the foursome decided to look in the hole. Voila! An eagle for Michael. Congrats! Michael left the club immediately after the round, thus avoiding sponsoring a round of drinks for the group.

By the time you read this newsletter we will have already played our opening Home & Home event at Oakdale Country Club. Fret not...we have more

events on the horizon, and you should plan your schedules accordingly if you want to experience some great times. If you haven't picked up your 2017 Senior Men's Directory and wallet-sized schedule, they are available in the pro-shop, and our season is already underway.

Gentlemen, every Friday morning (if there is no Home & Home event scheduled) we have a "net skins" game at the club. If there are enough players, we also include a two-man better ball, blind

draw contest. There is a very minimal \$5 entry fee. Tee times usually fall between 7 am and 9 am, and you can put your own group together. Participation in this outing is not restricted to senior golfers...but most who play in it are seniors. All you have to do is let the pro-shop know you would like to play and pay your \$5. How easy is that?

If you aren't already participating in any of these events, we would love to have you join us...you will not be disappointed!

## Maintenance Crew Hard at Work Improving Greens

Bernie Holloway, Golf Course Superintendent

Spring greetings from the SGCC Maintenance crew. Now that it appears the worst of the winter weather is over, we are looking forward to getting back to the good work of rebuilding and maintaining this wonderful golf course.

Aeration went well, no snafus, and the greens have recovered nicely as we are back to our original H.O.C. [Height of Cut]. Greens rolling also will be a consistent part of our greens

program this season.

Bunker renovation will resume as well. We are sure the membership understands that with the rains we had the first quarter of this year it was next to impossible to dig out and renovate bunkers.

We look forward to the upcoming tournaments.

Happy and Healthy Golfing from the SGCC Maintenance Team.

## 2017 Men's Invitational-Delta Classic

Dear Gentlemen,

You are cordially invited to participate in the Stockton Golf & Country Club's Men's premier golf event of the year, "The Delta Classic." This year marks the 56th annual (1) member (1) guest event. Entries will be accepted on a first come basis in the order they are received, with an entry deadline of Wednesday, May 10, 2017. The field will be limited to 64 teams.

The "Delta Classic" is known for its manicured fairways, wonderful food and spirits, camaraderie, and competition. The event gets underway Thursday, May 18, with a 1:00 pm shotgun practice round and concludes Saturday evening, May 20, with the Championship awards, Dinner, and Live Entertainment.

Please join us this year for the 56th Annual Men's Invitational "Delta Classic."

Kelley Spooner, Head Golf Professional & Men's Invitational Committee

## Spring Heralds Tournaments, Events and Welcoming Weather

*By Adrienne Hotchkiss, Captain, 18 Hole Ladies Golf Group*

Spring has Sprung!! I hope we are now into the swing of golf...long winter behind us...lots of golf ahead.

In March, we had our St. Patrick's Day tournament...all the ladies dressed in green. Our tournament chairladies, Sue Stuart and Virginia Gall, did a great job with getting us in the Irish mood. We had Closest to the Pin winner on #8, Virginia Gall and on #15, Cathy Eilers.

**First Place winners:** Toni Murdock, Vinci Rishwain, Lori Daugherty. **Second Place:** Betty Anne Urbick, Judy Hong, Liz Hansen. **Third Place:** Linda Stead, Mary Lou Tyler, Judy Seitz.

Our Kelley's Road Trip in April was a fun outing to Diablo Grande, outside of Patterson. Besides twelve members who braved the elements with Kelley... Branden joined us...so it made for a wonderful day.

We just finished our "Beat the Pro" tournament and seven ladies rose to the top and beat Kelley...Congrats to Barbara, Maureen, Judy S., Sue, Cathy B., Gayle, and Mary Lou Tyler (absent from the photo). Also a shout out to Patsy Lawson for Closest to Pin that day...how close were you?

We have some exciting events coming up...May 4 & 11 will be the Intra Club.

Sign up sheets in the Ladies Locker Room. Sign up sheet for those that can only play one day. This will be a Match Play event...so much fun...

Also, our "Cherry" Guest Day is May 25, hosted by the Stonebarger Girls... Get your guests and sign up...it will be fun.

Our Member/Member will be June 20 and June 22...so grab your fellow Member...I do believe it is a tropical theme....hopefully, that means Mai Tais!! The course is in great shape...come out and enjoy the sunny weather..Happy Golfing.....

*St. Patrick's Tournament Chairman: Virginia Gall, Sue Stuart*

*St. Patrick's Day Tournament 1st Place: Toni Murdock, Vinci Rishwain, Lori Daugherty*

## Tuesday Ladies Play to Win

*By Susan Marks*

*Captain, Tuesday Ladies Golf Group*

At last the much needed rain has stopped enough to allow us to play a few rounds of golf—five rounds during March and April. Our winners have been as follows:

3/7/17: 1st Nancy Sundahl, 2nd Susan Marks, 3rd Francesca Vera

3/14/17: 1st Nancy Sundahl, 2nd Joyce Drew, 3rd Judy Green

3/28/17: 1st Francesca Vera, 2nd Virginia Wallace, 3rd Nancy Sundahl

4/11/17: 1st Joyce Drew, 2nd Judy Green, 3rd Joyce Corrales

4/25/17: 1st Nancy Sundahl, 2nd Kathy Chinchio, 3rd Jeri Inglis

On May 23 we look forward to hosting Spring Creek and Brookside for a fun, neighborly round of golf.

In June we will hold our TOC rounds of golf. The first will be held on June 13, the second round will be held on June 15, and the final round will be played on June 20.

Our welcome mat is still out to any woman who would like to play with us. The course is beautiful and our group is fun and encouraging.

*"Beat the Pro" Winners: Barbara Fichtner, Maureen Stonebarger, Judy Seitz, Sue Stuart, Cathy Barnes, Gayle Jennings, Kelley Spooner... THE PRO*

## New Menu, New Activities Feature Local Produce, California Fun

By Ron Boehm, Director of Food and Beverage

The rains are finally gone and the weather is warming up. Quite a few members are out enjoying the beautiful golf course and other great amenities as we speak.

With those long summer days coming, it means great local produce will be available for Chef to play with and create some tasty new menu offerings. You can also expect to see some excellent local fish from Monterey Bay and other nearby regions. We are extremely proud to hear comments regarding the improved flavor and consistency of food being prepared. Those folks in the kitchen take a lot of pride in doing their best and it is really starting to show. If you have not been out to the club lately, Chef Steven and I invite you to give it a try and see what the “buzz” is all about.

We are very excited to feature some of the great wines from Lodi that are perfect for our valley heat. Rose, sauvignon blanc, pinot grigio, and albarino all have

the diversity to pair with all types of food or enjoy as a cocktail wine! You can always ask a server or myself for a sample if you are not familiar with the wine or have questions.

There are many fun social activities coming up over the next few months. Be sure to invite other members or friends to experience them. Our goal is to provide diverse activities for everyone to enjoy. It seems to be working as the last few events have sold out, so sign up before it is too late! You can now email your event reservations to [reservations@stocktongolfcc.com](mailto:reservations@stocktongolfcc.com). You will receive a prompt confirmation and be all set to go. Look out for those email blasts and check the club website for more info. You can also see us on our Facebook page and stay up to date with our posts.

The kids will be splashing in the pool before you know it. There are some fun activities to give mom and dad a break from their busy summer schedules,

including the first ever Kid’s Science Camp, Magic Show, Paint Day, and the always popular Carnival Day. The club offers supervision and always has lifeguards on duty from 11 am to 5 pm.

### In Remembrance

Gen. Alfred “Sandy” Sanderson

### Chef’s Menu Selection of the Month

Call this “local local local.”

Our Meat and Cheese Boards feature California produce. The Three Cheeses start with the Fiscalini bandage-wrapped cheddar from Turlock—world gold medal winning cheddar two years in a row—Humboldt fog goat cheese from Cypress Grove in Humboldt, plus Framani calabrese style sausage from San Francisco and Italian Prosciutto—they do it the best.

### March Employee of the Month

Sergio Valenzuela has been employed in the Golf

Course Department for 1½ years now. His official title is Greenskeeper, however, Sergio is known to wear many hats. He can be found watering one day, operating machinery another day, or helping out Bernie in directing fellow co-workers to their daily duties. He says the NFL is his hobby, namely a die-hard Dallas fan.
