DESIGNER styling

Window blinds are always a stunning addition to the home. We carefully select colour palettes, trends and designs to sit beautifully with home furnishings, fabrics and furniture. We can help you decorate your windows in ways you hadn't imagined.

ROLLER collection

Roller blinds are ideal window shades for any room in the home. The Rol-lite collection offers you the perfect range of fabrics to choose from, with high end lustres for living rooms, stylish blackouts for bedrooms and moisture resistant prints for bathrooms and kitchens.

Roller blinds can be operated manually, or you have the option to motorise them with the addition of Rol-lite One Touch®, which makes luxury affordable.

You can also add finishing touches to complete the look; metallic and coloured headrail cassettes and bottom bars create a feature by coordinating or contrasting with your chosen fabric.

Decorative scallops, braids, pulls and poles give you another way of personalising your blind. Refer to the back of this brochure for further details.

MODERN living

A contemporary home isn't complete without a designer focal point at the window and impressive new technology.

Whether you choose a clean and simple plain fabric, statement print or an up to the minute glow in the dark option for your home, your blind can be enhanced by being operated at the touch of a button with One Touch[®] motorisation at your finger tips.

Of course quality is key, so our roller fabrics are made in the UK where all parts of the manufacturing process are monitored and controlled.

VISION® c o l l e c t i o n

Vision® is an innovative new window blind featuring two layers of translucent and opaque horizontal striped fabric that glide past each other providing flexibility in shading and a real statement at your window.

The blind can also be raised and lowered just like a roller blind giving you the option of full privacy or a clear view outside.

This stunning Vision fabric collection includes a range of textures and tones, subtle metallic shimmers and blackout options too, making these blinds perfect for any room in the home.

You can of course create even more of a feature and bespoke your blind by choosing a coordinating or contrasting headrail cassette and bottom bar.

STATEMENT shading

The Vision® blind features two layers of fabric, the back moves independently of the front layer allowing the stripes to glide past each other creating an open and closed effect. This allows you to control the levels of light and privacy to suit your needs.

In one continual movement the blind can be raised or fully closed for maximum privacy.

All positions are operated by a single action, either with a manual chain or with One Touch® motorisation.

VISAGE® c o l l e c t i o n

Add a touch of style and luxury to your room with Visage®, a brand new window blind that revolutionises the way light and privacy is controlled, bringing a soft and soothing ambience to your room.

The beautiful and decorative Visage blind forms a superior window furnishing that brings a feeling of warmth and security into your home through its soft undulating design and unique operation.

This brand new fabric collection features up to the minute colours, from sophisticated neutrals to earthy warm tones and eye catching brights, there's an option for everyone.

ENJOY the view

Visage® blinds are made up of two layers of soft fabric connected by horizontal sheer vanes that gently filter sunlight whilst maintaining different levels of privacy and UV protection as the blind is raised or lowered.

The blind can be fully raised to give a clear view to the outside, it can be fully lowered with the sheer vanes aligned to control the light and retain a view with some privacy during the day, or it can be completely closed for total privacy in the evening.

Visage® can also be motorised for your convenience with Louvolite One Touch® battery operated motors, enabling you to adjust your blind at the touch of a button.

MOTORIZED

We are proud to offer an innovative new range of battery operated and mains powered window blinds.

One Touch® makes luxury affordable with motorisation that is accessible to all.

Make an impression with stunning window blinds that can be operated at the touch of a button. Simple, convenient and easy to use, the One Touch® blinds are operated either by a sleek and unique wand that hangs neatly next to the blind or by a remote control that allows you to operate a number of blinds at a time, depending on your requirements.

The rechargeable battery powered solutions remove the need for mains wiring, making it easy to install and without disruption to your home decoration.

There is no better way to make a contemporary style statement in your home.

ONE TOUCH technology

One Touch® motorised blinds can be operated in two ways. Wand operation will operate a single blind and is ideal for children's rooms or bathrooms.

The remote control allows you to operate a number of blinds at the same time, to suit your requirements. All blinds are of course child safe and motorisation is another example of this, giving you complete piece of mind in a chic and sophisticated way.

PLEATED & CELLULAR

c o l l e c t i o n

Our design partners have created a vibrant and colourful collection that captures the spirit of today's tastes and trends. Choose from a wide range of fabrics ranging from blackouts, that offer enhanced privacy, through to high performance fabrics that help to control the temperature of your surroundings all year round.

Our stylish range of pleated blinds creates a whole new look for your home and will provide shade and privacy all year round.

The incredibly efficient cellular blinds not only look great but also help keep energy costs down. Their unique honeycomb structure creates a thermal barrier between the room and window to provide additional insulation.

PERFECT FIT®

collection

roller | pleated | cellular | venetian

Perfect Fit® is a revolutionary shading solution for uPVC windows and doors. It is unique because the window blind fits neatly into a discreet frame, which is clicked into the uPVC and moves with the window or door when it is tilted, opened or closed.

You have the option of a roller, pleated, cellular or venetian blind within the Perfect Fit® system, all offered in a gorgeous range of colours and finishes.

Perfect Fit® is available in a number of colours that have been designed to match your uPVC windows and doors perfectly.

STYLISH simplicity

Perfect Fit® roller, pleated, cellular and venetian blinds are ideal solutions for uPVC windows and doors, conservatories and orangeries.

The blinds can be clicked into place, meaning that no drilling or screwing into your uPVC frames is required, making it a quick and clean installation.

Perfect Fit® enables clutter free window sills and easy cleaning thanks to the removable frames.

Perfect Fit® hugely reduce the gaps at the edge of the blind meaning that very little light can be let in. They are a great option for little ones as they are of course completely child safe, as there are no loose cords or loops.

PANEL

collection

Panel blinds are a modern and chic shading solution for larger windows, bi-fold or patio doors and can also be used as room dividers.

The blinds encompass large panels of fabric which stack neatly behind one another when open, allowing maximum light into the room. To control light, reduce glare and increase privacy, simply slide the panels to the required position.

Available in a wide range of exciting prints and textures, panel blinds will transform the look of any room with their contemporary style and sophisticated appearance.

You can create a real statement by combining patterned and plain, or different coloured fabrics to achieve an eye-catching block effect.

You can also choose a side or split draw panel blind to perfectly suit your window's requirements.

CREATIVE spaces

A contemporary panel blind is an ideal choice for those who want to make an impact and add something a little different to their interior design scheme. With their flexible nature, they are a fantastic choice for large bi-fold style or patio doors and for smaller windows too.

As well as statement window shades, panel blinds also look stunning as room dividers that can be used to great effect in creating new living spaces within a modern home.

FINISHING

touches

To really set your window blind apart from the rest, you can personalise it with our wide range of accessories to coordinate or contrast with any of our fabric ranges.

Add style to a roller or roman blind with our contemporary braids, pulls and poles. Select from our elegant range of cylinders, barrels and tassels in a choice of metallic, modern and natural finishes.

Give roller, roman, vision and visage blinds a stylish enhancement with one of our sleek cassettes which are fitted to the top of your blind, discreetly housing the operating mechanism. You can choose from a range of colours and finishes including white, beige, black, anthracite, bronze, chrome and satin and have the option to insert a matching fabric profile too.

Vertical blinds are given the same treatment, with a selection of premium Vogue coloured headrails to choose from; Ice White, Brushed Aluminium, Champagne Gold, Piano Black and Espresso Brown. Differing fabrics can be combined to create a more bespoke and striking effect.

A Rol-lite blind will surpass your expectations and allow you to create a window shade that is perfect for your home.
