Felice's Orphanage with a flute & drum performance. They conducted the following courses: English, Maths, Microsoft Excel, Art n Craft (made embellished cards, notebooks and clay saucers to hold jewellery). These items can be sold as part of their livelihood project. They also paid a visit to St Martin Girls' n Boys' Homes housing 10 girls and 17 boys respectively. They were happy to find much improvement in the Homes, with the help of donations from the Social Mission Team of St. Ignatius Church & the WASH Project of CHARIS.

MAINTENANCE TEAM OF VOLUNTEERS: 18-24 Oct. 2015

The team arrived in Yangon on 18 Oct. After lunch, 8 members of the Canossa Home Team led by Anthony Lim proceeded to Thanlyin while 6 members of St. Bruno's Team led by Dominic Lim headed by road to the south.

The Canossa Home Team

took turns to lead the morning prayer and reflection. After that, they broke into 4 pairs to conduct the following sessions for the 4 rotating groups of educators:

(1) English and Science by Anthony & Carol:

Carol gave an interactive session on nutrition and simple lessons on the life cycle of the butterfly & the frog, on evolution of the animal kingdom & basic astronomy. Anthony delivered interesting English lessons on grooming and hospitality.

(2) Gardening by Michael & Su Jing: The girls were taught how to do landscaping, pruning and how to remove caterpillars & spider mites

with a natural method. They learned about different seeds and planted different kinds of vegetables.

(3) Maintenance by Gabriel & Gerard, who showed the girls how to remove the algae, scrape, clean and paint the walls and main gate.

(4) Housekeeping by Juliet & Candice:

The girls engaged in simple & practical hands-on activities using proper methods to clean various parts of the home. Safety practices were also addressed e.g. keeping the floor dry to prevent slips and falls. The purpose is to ensure that the learning is experiential, so that the girls will be able to use the skills they learnt even when they are sent to the boarding houses. The girls were taught some basic personal hygiene habits that they can adopt in their daily life.

St. Bruno Home Team returned from Patheingyi on 23 Oct. & the 2 teams were re-united. They had a mission sharing & evaluation with Sr. Angela and a Lantern Procession & Rosary to thank God for all his blessings on the Mission Team, the Sisters, educators and children of Canossa Home. There were many happy moments as when Michael gave the children an ice-cream treat and when the educators & children celebrated the birthdays of Gabriel & Anthony.

St. Bruno's Boys Home Team

6 Team members: Dominic, Don Kingsley, Joseph, Alan, Angie & Elaine went by road to Pathein on 17 Oct. On Sunday morning some attended Mass at the Cathedral and met Bro. Vincent and the boys at St. Bruno's Home. From 19 to 22 Oct. they did maintenance work at the Home with the help of some boys when they returned from school.

The group completed the following:
 +Painting of the boys' toilets and bathing/washing area,
 +Scraping and removing paints on glass panes,
 +Putting up book shelves for a classroom.
 Some bigger boys gave a helping hand after school. Besides maintenance work, Angie taught the boys Simple English for everyday communication.

The Team also made a courtesy call to the Sisters and children of St. Mary's Convent where Educators Rose and Sophia were staying. Team members mingled with the children there and did what they most loved: to be loved more by the children. On 23 Oct. they left for Yangon and spent the day with the rest of the Team working at Canossa Home.
