

GGI - Corridor Improvement, Gateway Beautification

GOAL: Next Generation Welcome Signs LEADER: MWOY & Don Smith						
Objective	Responsibility	Description	Date Assigned	Completion Date	Notes	Partners
1		Review current sign locations; review proposed new sign locations & prioritize them If new locations are chosen, research property owners and establish/negotiate partnership/lease agreement	March, 2016		Nicki has researched examples of attractive signs	Airport, State Fair
2		Partner with design/architect/engineering firm to develop design, materials, labor estimates				
3		Establish funding plan				Grow Grand Island, other community partners, grants, etc.
4		Develop master plan, priorities, funding needs, ongoing maintenance and landscaping plan, etc.				
5						

Nicki and Don met with Dr. Anderson and other Men/Women of the Year on May 13th. Nicki will draft specific objectives, a proposed timeline and forward to Dr. Anderson.

Gene McCloud and a representative from the CVB would also like to assist with this initiative.
