MM

Here are the notes from our meeting last week.

ETC SC Meeting Notes - April 4, 2019

Lee Turley
Marianne Mashburn
Sydney McIndoo
Logan McIndoo

There was a discussion about the potential uses of the former urban farm on Wimpole Drive.

We agreed that sending out a poll (Survey Monkey sent by email and links on social media) to gather more input and then voting on those options at the May meeting would be appropriate. The poll will be formatted with yes-no responses to the options that have been put forth so far and a write-in option. An explanation of the things that aren't options (dog park or anything with walls) would help the poll be more productive. The options submitted will be voted on at the May meeting.

The annual block party at the park was discussed. The option of meeting at an area restaurant (new Irish pub?) instead was suggested. Sydney volunteered to help with children's activities, she'd like to see us have the party at the park. We agreed to put out a call for volunteers.

Party at the park would require:

- Grill and grillmaster
- Hot dogs, condiments and buns (Lee will ask Kroger to donate)
- Neighbors will be asked to bring side dishes and beverages
- Plates, cups, napkins, utensils, and ice
- Generator and small PA
- Someone to create a playlist
- Tables
- Children's activities

Call for volunteers will also include:

- Mayor Briley's Spring Clean (through May 31st)
- Neighborhood Yard Sale
