SCHATZ FAMILY • RESERVE • LODI APPELLATION

BARREL-AGED TO PERFECTION

Only the best of our grapes make it to the final inspection for our Reserve wine. Aged in oak barrels for a minimum 36 months before each barrel is tasted and hand selected to be fortunate enough to become the best we have to offer. Teroldego, born in Italy, perfected in Lodi and a bold Cabernet Sauvignon are the only varietals we offer in our Schatz Family Reserve wines.

Produced and bottle in very small lots, this reserve is just that, reserve. Hand packaged in 6 bottle per case, this reserve is handled with a white glove approach.
