

Webydo Chosen by The Mensch Foundation as the Mensch Corporation of The Year

Tel Aviv, August 29th, 2013. The Mensch Foundation is proud to announce the selection of Webydo as the Mensch Corporation of the year.

The selection is based on Webydo's outstanding corporate leadership that integrates tolerance, mutual respect and integrity, while bridging cultural barriers and empowering minorities. Webydo's leadership manifests the mission of the Mensch Foundation, promoting value driven decision-making in the workplace and reducing societal rifts in order to foster unity in Israeli society.

About The Mensch Foundation

The Mensch Foundation, www.beamensch.com, is dedicated to bringing Israeli society together and infusing it with the positive values that are the key to personal and societal success. The Mensch Foundation works towards a responsible, just, considerate, and integrity driven society, collaborating with partners across the social, political and religious spectrum in a variety of programs.
